

Organic MORINGA-LEAVE Powder

(*Moringa oleifera*)

Organic Moringa leaf powder is a natural food with a special nutritional composition. For organic moringa leaf powder, the gently dried leaves of the moringa plant (*Moringa oleifera*) are ground to a fine powder.

In the leaf powder, the nutrients are naturally present in a form that can be used very well by humans. Moringa contains vitamins, pyramines (secondary plant substances), minerals, trace elements, proteins and anti-inflammatory substances. It contains natural antioxidants and all the essential amino acids. It is also rich in vitamins C and A, calcium, potassium, and iron.
